

# About our Wine List

Our wine list will constantly be changing. We will be adding new wines every week or so, and some wines will not be reordered when inventory is depleted. This fluid style of wine list gives members an ever-changing variety of new wines to try. Be sure to check our wine list during every visit as new wines are added all the time. We hope you will enjoy our wines with each dining experience!

## Special Value Wines

As our wine list is constantly changing, we will often find ourselves with a bottle or two of certain wines that will not be reordered. The Club will also often purchase a large lot of a particular wine at a special price. This Special Value section of our wine list will feature wines that are passed along to Members at a great price. Quantities are limited, and this list will be constantly changing.
