## Governors Club Accolades

The GOVERNORS CLUB Accolades program encourages members, staff and guests to recognize the actions and attitudes of staff members who go 'above and beyond'.

Member's who's accolade card is drawn will receive dinner for two at the CLUB. The staff member who's name is drawn receives \$100. Our 'back of the house' winner last month was Skylar Stafford. His name was drawn on an Accolade Card submitted by Billie Rosian who wrote, "Skylar helped me fix a mistake I made to make our member happy. Thank you!"

Our Member winner was Mrs. Deborah Curry, for an Accolade to Billie Rosian. She wrote, "Each time I am here, Billie is extremely attentive and she always remembers what I like. She is one of the most professional servers and extremely friendly. She is excellent as your representative of the CLUB."

### Other Notable Accolades:

From Randy Hanna to Anna Dawkins: "She is always professional, friendly, and ensures the highest level of service."

From Slater Bayliss to Marcus Richartz: "He took outstanding care of our family and was particularly attentive to our three children."

From C.T. McRae to Jimmy Beyers: "He was very courteous but yet not overbearing. Love the live music and the Friday filet special. Keep it going."

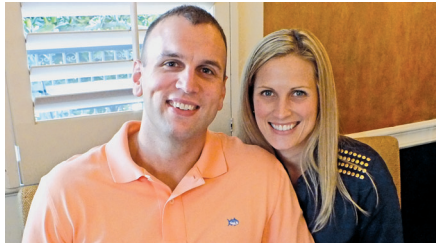

From Charles Dudley to Billie Rosian: "I had 30 minutes to get in and out with a client and needed uninterrupted meeting time over lunch. Billie made it happen and the lunch was great. Thanks Billie!"

### What Members are Saying...

Barry, just to let you know, I tried the boxed lunch today and it was excellent. The yellowfin tuna wrap, kale salad and brownie were all delicious (the brownie was actually sinful). The price point was great as well. Kudos to you and the team for this great new service. – Gus Corbella
