

Visit Our New Website

We are pleased to announce the launch of our new interactive member website. The new site provides easy access and intuitive use by members while streamlining and enhancing our communication with you about important news, announcements, events and activities taking place at the CLUB.

We encourage you to take a moment to look around the site and get familiar with its many valuable features and functions.

To access the private side, click Member Login at the top right of the site and when prompted, type in your Username and a four digit member number (add zeros if your number is less than four digits) and your initial password is your Last Name.

The first time you enter the site, you will be required to reset your password. After selecting your new password, you will be re-directed to the login page, where you can log in with your username and new password.

In addition to our highly secure and private members-only area, we also have a public side with a description of the CLUB facilities, an overview of membership, amenities and directions. The Hundred-Foot Journey

Dinner and Movie Night

Friday, February 27 | \$42

6:30 pm Member Bar Cocktails with Passed Hors d' Oeuvres

7:00 pm Dinner

Gather a table of friends together for our showing of *The Hundred-Foot Journey* served up with Chef Frei's amazing French and Indian cuisine. For only \$42 per person, you are guaranteed a fantastic night out with highly acclaimed entertainment and dinner!

In *The Hundred-Foot Journey*, Hassan Kadam is a culinary ingénue with the gastronomic equivalent of perfect pitch. Displaced from their native India, the Kadam family settles in a quaint village in the south of France. Filled with charm, it is both picturesque and elegant - the ideal place to settle down and open an Indian restaurant. That is, until the chilly chef proprietress a Michelin starred, classical French restaurant run by Madame Mallory, gets wind of it. Her icy protests against the new Indian restaurant a hundred feet from her own escalate to all out war between the two. Join us to see how the film unfolds and indulge in these two inspiring cuisines. Reservations required; confirmed reservations will be billed. Call 224-0650.
