## Reminders for the Legislative Season

**Guest Policy & Member Tabs** - Your CLUB is a very popular meeting spot during committee weeks and the legislative session. In an effort to ensure it remains a “Members Only” venue, we will have a host at the Lounge door on the busiest days. Of course, Members are welcome to bring guests, and per CLUB Policy, they must be accompanied by a Member. Additionally, Members are permitted to have guests in the Clubhouse without being present, twice per calendar quarter. Please call in advance of your guests’ visits.

**Member Tabs** - Please assist our Lounge staff by signing all tabs. This will ensure all charges go to the correct member account and that your membership is not being abused.

**Reservation Hold** - Please remember that we will hold all reservations for twenty minutes. If we do not hear from you twenty minutes following your reservation, we will release the table for another member. If you are running late, just give us a call and we will be happy to hold your table!

**Lunch Buffets** - *Committee Weeks:* Buffets will be offered on the Second Floor on Tuesdays & Wednesdays. *Legislative Session:* Buffets will be offered on the Second Floor on Tuesdays & Wednesdays and in the Lounge on Tuesdays, Wednesdays & Thursdays. The buffet is priced at \$19 and includes coffee, tea or soda.

**Charge Up** - There are electrical outlets along the lower portion of the Lounge bar, allowing you to re-charge yourself and your phone!

## Manager's Message

# Hello 2017 Legislative Session!

It's that time of year again and I can't help but contemplate the activity that will kick-off on March 7. In the sixty days that fall between March 7, and sine die on May 5, the CLUB will generate approximately 55% of its food and beverage revenue for the entire year. We will serve many out-of-town Members that we generally only see during committee weeks and session. Of our 1060 Members, 220 live out of town and will be frequent visitors to the CLUB during session.

I've heard a few comments from local Members that they try to stay clear of the CLUB during the legislative season. Sure, we're busy this time of year, but don't let session get in the way of enjoying your CLUB. As a helpful hint, the majority of session activity falls on Tuesday and usually lightens by Thursday afternoon. If you're trying to avoid the crowds then Monday and anytime over the weekend beginning Thursday evening is a safe bet. Just because we are busy taking care of our political members doesn't mean we take our focus off the majority who live in Tallahassee. Please be sure to stay up-to-date on CLUB activities via the newsletter and Allison's weekly email updates. We'll

Barry Shields  
General Manager

continue programming activities for everyone and will provide the excellent service you expect and enjoy. The increased business this time of year brings the need to beef-up on staffing. You'll notice a lot of new faces and more service staff than other times of the year. Our service staff will increase by three times our normal operations, bringing lots of hiring activity followed by many hours of training to ensure all new employees are well prepared in their roles.

For our new Executive Chef, Gilbert Rodriquez, the busy legislative season is "old hat". Coming from The Capitol Hill CLUB in Washington, he's been preparing food for legislators, lobbyist and staff on the hill for eight years prior to being enticed to the GOVERNORS CLUB. We are happy that he has joined our team and fortunate to have his experience.

Hope to see you soon!

Barry Shields, CCM  
General Manager

## Segway Tours and Dinner!

This one hour tour will include the Chain of Parks, Old City Cemetery, Westcott fountain, Capitol Complex, and the World War II Memorial. Tours can be reserved for groups of up to six people and instruction is provided prior to departure. When the tour is complete, enjoy cocktails in the Lounge and a fantastic dinner at the CLUB. Let us know when you would like to book your tour and we will have your Segways ready to roll.
