Michael Kalifeh, Immediate Past President

Fellow Club Members:

I appreciate the opportunity to serve the GOVERNORS CLUB as President this past year. It was a productive year for the CLUB, not just because of the things that changed, but also because of our management and staff's continued commitment to quality and service. The completion of the outdoor patio, which was a labor of love several years in the making, and recruiting Chef Rodriguez from the Capitol Hill Club in Washington, D.C., were certainly highlights. In addition, the volunteer Board of Governors, all of whom devote a significant amount of time and effort to the CLUB's success,

initiated several projects that I hope will continue to enhance your experience for years to come.

While I have greatly enjoyed serving the CLUB and getting to work closely with Barry and his talented team, I am excited to officially introduce Marion Hoffman as our new President. Many of you already know Marion well (and if you don't, you should!). She has played a tremendous role in the CLUB's governance for several years now. As a result, I imagine I will be much less in demand than my predecessor Tom Stahl, who I can't thank enough for his invaluable advice and counsel over this past year.

Marion Hoffmann, President

It was 1982 – the year the GOVERNORS CLUB was chartered. A gallon of regular gas cost \$1.30, “E.T. the Extra-Terrestrial” was raking in the bucks at the box office, and the most popular song on the radio was Olivia Newton-John's “Let's Get Physical.”

A lot has come and gone since then (including leg warmers – thank goodness!) but one thing has remained constant: The GOVERNORS CLUB, which celebrates its 35th anniversary this year, is still thriving and its future is brighter than ever.

I am honored to have the opportunity to serve as president of the GOVERNORS CLUB for 2017-2018 during this special time. It is a privilege to serve at the helm of a club so rich with history and elegance. I want to extend a special thank you to outgoing President

Michael Kalifeh, CPA, CFT, for his skilled leadership and dedication to the CLUB this past year, and to our immediate past president, Tom Stahl, Esq., for giving us a strong foundation to build upon. I look forward to working closely with Bill Moor, our new vice president, and with board member Laura Boyd Pearce, Esq., our newest member of the Executive Committee.

This will be an exciting year as we celebrate the past and look to the future, updating our CLUB facilities and furnishings to be your destination of preference. My number one priority, as your new president, is to make sure that the CLUB serves your needs. We, the GOVERNORS CLUB Board and staff, will continue our efforts to provide the best dining experience, whether that be for special family dinners, entertaining out of town guests, or just having lunch upstairs or in the Grille.

Bourbon Blending with The Timber Creek Distillery

Thursday, July 13 | 6:30 p.m. | The
Plantation Room | \$45++

QUALITY DISTILLING BY LOCAL ARTISANS
**TIMBER
CREEK** DISTILLERY

The Timber Creek Distillery of Crestview, FL will present an evening of bourbon blending. The bourbon blending process gives you the ability to taste the flavor profiles of each individual grain and see how each grain contributes to the overall flavor of the bourbon. Corn is sweet, but generic. Wheat is dry, rye is spicy, and barley really rounds out the flavor. By blending different combinations of these grains, you get a sense of which type of bourbons you like and why. Members will be provided mash blend information for name brand bourbons, allowing you to blend based on your taste. If you've ever gone to a distillery and thought, "Hey, I could do that", now is your chance! Call 224-0650 for reservations; confirmed reservations will be billed.

The GOVERNORS CLUB is the place to make memories with friends, family, and colleagues, and it has certainly been the backdrop of many important moments for me. I hope you have enjoyed everything we had to offer over the past year, and will continue to do so for many years to come. Please do not hesitate to let me or anyone else on the Board know what we can do to improve your experience so that the CLUB continues to be the best place in Tallahassee to break bread with colleagues, enjoy the company of friends, and spend time with family.

All the best,
Michael Kalifeh

Additionally, you may have noticed our brand new outdoor dining and cocktail area. This outdoor area will allow members to enjoy the beautiful Florida weather while still delighting in the comfort and excellent service for which the CLUB is known. I pledge to you that our formula for success – superior culinary offerings combined with world-class service – will remain strong.

Over the next year, our board will strive to make sound business decisions, establish new programming and advance our membership and presence in Florida's Capital City. Our membership numbers are robust, so now we focus on enhancing your experiences at the CLUB. We encourage you to participate in the complimentary opportunities which we

offer from time to time. And, for the first time in over nine years, we are offering this fall a GC Member Exclusive California Wine Tour! I know the limited slots will fill up quickly.

We look forward to your participation in the many social functions provided by our outstanding staff. We realize you have many choices of where to spend your business and social time, and we want it to be with us. Let me close by sharing this parting thought from Helen Keller: "Alone we can do so little, together we can do so much."

Thank you again for the great honor to serve you. See you at the CLUB!

Save the Date! 35th Anniversary Party

Friday, November 10

The GOVERNORS CLUB opened its doors in 1982 when everything was totally awesome! It was a decade when everything was a lot bigger, a lot louder and a lot brighter. In celebration of our 35th anniversary, we are bringing the 80's back to you at our fantastic nostalgic anniversary party! Let's dance, dressed to the "T" in our power clothes while wearing our sunglasses at night. Save the date because everyone – and not just the girls – will have fun!

Manager's Message

Come as You are this Summer!

Historically, the CLUB experiences a business slow down in the summer months. Members take vacations, travel out of town or spend time at their beach and mountain homes. It's been like that since inception and I remember as the CLUB maître d' in the early 80's, spending many summer evenings chatting with the valet attendants because the Clubhouse was relatively empty.

Barry Shields
General Manager

I've been giving this some thought; and I really can't imagine that everyone vacates Tallahassee for the entire summer! In fact, I would bet that the majority of our Membership is local for the most part. This begs me to ask the question, "Why don't more Members use the CLUB during June, July and August"? My theory is that many of you associate the CLUB as a place that requires you to "dress up" and that's understandable. Nobody wants to break the dress code.

Governors Club Mobile App – Coming Soon!

We are pleased to announce the anticipated launch of our new mobile app in July! The app will provide easy access to CLUB information and enhance our ability to communicate with you about news, announcements, events and activities in the Club.

Things you can expect:

- Push Notifications which allow us to communicate in real-time with you about announcements and activities at the CLUB.
- Easy access to your account statements, member and staff directories and reciprocal clubs. Contact anyone directly from the app!
- Update your profile and preferences on-the-go to ensure you receive timely information about areas of specific interests and activities.
- Future updates to the app will be available in the app stores, keeping you up-to-date on the newest version.

The launch of this exciting project reflects our commitment to member communication, encouraging strong member relationships and building a vibrant member community. We continually look for opportunities to improve the value of your membership and are confident our new mobile app will play an integral role in achieving that goal. Stay tuned for the launch of the GOVERNORS CLUB mobile app!

After all, the CLUB is a special place and we want to look our best. So, what if I told you that you can dress casually, even in shorts, and still be within the boundaries of our dress code?

For example, according to our House Rules:

- "Appropriate dress in good taste is required at all times for Members and their guest."
- "Casual attire shall be permitted in the Grille, Dining Room, Balcony and Lounge." (and now we can include the Patio in that statement)
- "Dress shorts are permitted during the months of April through November."
- The only items not permitted at the CLUB are flip-flops and t-shirts.

So, now that you know it's okay to enjoy the CLUB in casual attire...even shorts, I hope to see you more frequently over the next several months!

Happy summer,

Barry Shields, CCM
General Manager
